FOR IMMEDIATE RELEASE

### Sierra Rep hosts *Mary Poppins* Kids Night Out

Sierra Repertory Theatre will host an evening balloons, coloring books, face painting and costumes beginning an hour before its March 27, 7 p.m. performance of *Mary Poppins*.

Child tickets for the musical are available through the Box Office at just \$15 each with code word "Holiday." Activities start at 6 p.m. and will include a Disney and Mary Poppins costume contest. The winner will receive free tuition to the SRT JR. workshop of his or her choice. Upcoming opportunities include the Spring Break Mary Poppins Camp and a spring workshop focusing on playwriting, improv and technical theatre.

Disney's *Mary Poppins* plays through May 3 at the East Sonora Theatre on Mono, with plenty of spectacle, music and dance, and heartwarming comedy and drama. The Disney Broadway musical follows the Banks family of London's Cherry Lane, now in need of a new nanny. Enter Mary Poppins and her bag of tricks.

For tickets and information, visit [www.sierrarep.org](http://www.sierrarep.org) or call the Box Office at 209-532-3120. Parents should note that children under the age of six will not be allowed in the theatre. The show is nearly three hours long and, while family friendly, is not designed for children who cannot sit quietly for long periods of time.
